Preserving US Military History - Honoring Veterans - Performing Community Service

Who is the MHCC? Since 2009 MHCC members have been dedicated to preserving our American Military History by collecting and restoring items to present at events throughout our nation and in our local communities.

As a MHCC member you are a vital part of helping us achieve our mission and establish a new US Military History Museum.

The Military History Center of the Carolinas (MHCC) evolved from a club formed in the mid 1990's and became a tax exempt 501(c)(3) organization and a non-profit organization in SC in 2009.

The MHCC is dedicated to preserving US Military History by collecting and restoring items to take to events throughout our nation and to our local communities. In 2015 alone, MHCC displayed historical military items at 68 separate events throughout the upstate.

Currently we are renovating a 1950's era Military Style Butler building located at 14 Airport Road Ext, Greenville, SC 29607. The building is adjacent to the Greenville Downtown Airport's Runway Park within a block of the future Swamp Rabbit Trail extension and is an ideal location to engage the community, honor veterans and provide easy access for school students and veterans in the Upstate to see history come to life.

The building is an ideal mix of history and design but needs a lot of work to transform it into a museum for students of all levels and for the public. It will be a place where veterans can bring their families to teach them about the history that they experienced.

Families and individuals; young, and not so young; male and female; about 50% veterans, and many others who have never served, help make up our diverse group. **We invite you to join today and become a part of our organization!**
